

A Beginner Youth Tennis League

WHAT IS RALLY CATS?

A beginner youth tennis league for kids ages 4-10 designed to introduce kids to the game in a fun, team based environment. Played on a smaller court with modified equipment fit for young kids, lesson plans allow for athletic & skill development with an introduction to competition. Volunteer parent coaches lead lessons.

- First Year Free 10U Membership

WHAT ARE PARENTS SAYING ABOUT RALLY CATS?

"Rally Cats has been a fantastic experience for our 5 year old son. Before, he was overwhelmed by all the components of the game, but after excellent coaching and the right size racquet, equipment, and net in a program geared for fun, with games, new friends and prizes, his skills and love for the game have grown tremendously. Our son has learned so many fundamentals without even realizing he was being coached- just pure joy. Before, he felt frustrated; now he asks to go to the courts and has even come up with drills of his own for me to practice. Rally Cats is the perfect way to start a foundation in tennis, and fitness overall, that will support him over his lifetime in this great sport." - Jennifer Rogers, 2015 Rally Cats Parent
